

EXPRESSIONS OF INTEREST – SUMMER SEASON 2017-18

Expressions of Interest are sought by **7 August 2017** from people to help us fill the coaching, team management and scoring roles needed to support our junior baseball program in the 2017-18 Season.

Every season our junior coaching and team support structures need to be rebuilt and our continuing success depends very heavily on our members as well as mums and dads who volunteer their time to help the kids. Although our junior program is built around a core number of very experienced and dedicated coaches, these people need assistance from new people each season.

Baseball knowledge is not essential and assistance is provided for new coaches to gain a basic level of Coaching Accreditation via a straight forward on line process. Our experienced coaches are on hand to ensure that technical coaching support is available to all teams. Clinics will be run to assist first time scorers.

Feedback over many years tells us that people who become involved, find the experience very rewarding as they quickly came to understand the value they are making to the social development of the young players from their participation in structured and friendly competition.

Game Times

Teeball games (U8) are played on Saturday mornings. It is likely the Club will need to provide for at least 4 teams again this season.

Little League Minors (U12) and Intermediate (U14) games are played on a Friday evenings where the emphasis is all about participation and introducing new players to the sport of baseball. The Club is expecting to field 5-6 teams across these age groups.

There are also U12, U14, U16, U18 competitions played on Sunday mornings where the Club enters at least 2 teams in each age group. Many of the Friday evening players also play in the Sunday competitions.

Practices

Teams practice once a week and most age groups combine to provide some flexibility and sharing of coaching coverage and knowledge.

All adults involved with our junior teams are required to hold current Working with Children and assistance in achieving compliance is available if required.

How to Register

Please register your interest at cheltenhamrustlers@gmail.com by **7 August 2017**, if you are in a position to help this season. Your involvement will be very much appreciated.

If you would like more information please do not hesitate to contact Andrea on 0418 176 612
