TOP SIZING CHART

The following instructions and chart are to be used as a guide for estimating your Baseball top size.
Note: sizes are approximate and minor variations may occur.

Step 1

Lay a comfortable fit Baseball top on a flat surface and smooth it out.

Step 2

Measure the flat length (measurement A) of the Baseball Top by measuring the centre back neck (under the rib or collar) to the bottom of the hem as per the diagram.

Step 3

Measure the flat width (measurement B) of the Baseball top by measure across the chest from about 1cm below the armhole as per diagram one side seam to the other

Step 4

Reference the A & B measurements to the chart below to find the most likely size match.
