### LIFE MEMBERSHIP PROPOSAL DANIEL WARD-BOURTON

Daniel Ward-Bourton is proposed for Life Membership of the Cheltenham Baseball Club in recognition of his outstanding services and commitment to the Club as a player, manager, coach and administrator across both the Summer and Winter sections of the Club for over 28 years.

Following three seasons as a Tee Baller Dan has played at every possible opportunity – juniors and seniors, Summer and Winter for a total of 50 seasons

As at the beginning of the 2018/19 Summer season, Dan has well played over 900 games for the Club across all of our grades including more than 50 games in our Summer and Winter First Nine teams. Dan will become the next member of our exclusive **1000 Games Club** during the next couple of seasons.

Daniel has played predominately as a match winning pitcher and middle infielder with a better than average glove and reputation as a tough out at the plate when a game is there to be won. He has won numerous MVP and Batting awards across all of the levels he has played and been a key member of many premiership teams.

Daniel has also coached junior and senior teams in over 15 seasons (Summer and Winter) with considerable success and he has played a key role as a role model and mentor for many players, particularly as they moved from the junior to senior ranks.

Off the field Daniel has been regular member of the Committees essential to the running the Club for over a decade and is currently serving as an executive in the Winter section.

Always the ultimate team player and clubman, Daniel can be relied upon to be available, ready to play or take on any task to assist the Club and your endorsement and support of this Life Membership Proposal is strongly recommended.
