

STAN HOGBEN LIFE MEMBER 1992

Stan Hogben had a very long association with the Club, starting his baseball career in 1954 and quickly became an "A" Grade player as a pitcher and at first base in the DBA Competitions. Stan played 110 games over 8 seasons through to 1962

Stan's commitment and dedication to Cheltenham Baseball Club saw him being nominated and elected a Life Member in 1984.

Stan was an inaugural member of the Board of Management formed in 1986 to provide a legal entity responsible for the business relationships with the Southern Districts Hockey Club, the Kingston City Council as well as State and Federal Government. Stan held the position of Vice President of the Board in 1986. In 1987 he took the role as Acting President before resuming his position again as Vice President from 1988 to 1992 and then continued as an ordinary member of the Board for several years. His experience and wisdom from his long association with community sport was a major benefit to the administrators of that period and very much respected.

Another love of Stan's was being able to watch his son and grandson develop a passion for baseball and go on and play and play well at the highest levels for his beloved club. He was extremely proud when his son, Trevor, was elected a Life Member in 1992 and when his grandson, Kable, was chosen to represent Victorian State Teams in 2006,

Stan Hogben was a highly valued and respected clubman.
