Covid-19

Why Baseball stopped and was interrupted in 2020 – 2021

The COVID-19 pandemic in Australia is part of the ongoing worldwide pandemic of the coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The first confirmed case in Australia was identified on **25 January 2020**, in Victoria, when a man who had returned from Wuhan, Hubei, China, tested positive for the virus.

Australian borders were closed to all non-residents on **20 March**, and returning residents were required to spend two weeks in supervised quarantine hotels from 27 March. Many individual states and territories also closed their borders to varying degrees, with some remaining closed until late 2020, and continuing to periodically close during localised outbreaks. Social distancing rules were imposed on **21 March**, and state governments started to close "non-essential" services. "Non-essential services" included social gathering venues such as pubs and clubs but unlike many other countries did not include most business operations such as construction, manufacturing and many retail categories. The number of new cases initially grew sharply, then levelled out at about 350 per day around 22 March, and started falling at the beginning of April to under 20 cases per day by the end of the month.

A second wave of infections emerged in Victoria during **May and June 2020**, which was attributed to an outbreak at a Melbourne quarantine hotel. The second wave, though largely localised to Melbourne, was much more widespread and deadlier than the first; at its peak, the state had over 7,000 active cases. Victoria underwent a second strict lockdown which eventually lasted almost four months. The wave ended with zero new cases being recorded on **26 October 2020**. Further cluster outbreaks occurred in late **2020 and mid-2021**, with several brief "snap lockdowns" announced in certain states to contain their spread, particularly as novel variants of SARS-CoV-2 arrived in Australia. In response to an outbreak of the SARS-CoV-2 Delta variant, almost half of Australia's population and most major cities were in lockdown in early **July 2021**. **As of 13 August 2021**, Australia has reported 38,165 cases, 25,486 recoveries, and 948 deaths, with Victoria's second wave accounting for nearly 75 per cent of cases and 90 per cent of fatalities

The nationwide vaccination program began with the first doses of the Pfizer COVID-19 vaccine being administered in Sydney on **Sunday 21 February 2021**. The slow pace of the country's vaccine rollout, which fell short of its initial targets, has been criticised. The pandemic has impacted Australia's economy, causing its first recession in 30 years.

Presidents Report

2020 & 2021

Seniors & Juniors

What can we say, this dang VIRUS OF UNSPECIFIED ORIGIN just won't stay down? Its had more comebacks than Mohammad Ali. So now we sit and reminisce out two seasons in a row where for all our effort we just couldn't shake it. Yet, it's the effort that matters. So we'd first like to say our thanks to the people who worked so hard to get the ghost that was the 2020 season off the ground and the host of extra contagion related labor that entailed. We want to thank Brad Lark for putting his hand up to take on the role of Club (Virus name redacted) coordinator and to the committee for their efforts to try get the season underway. Not only for them but perhaps most frustrating of all for all the players who fronted up to trainings, built themselves up in preparation and then had the rug pulled out from them on the eve of kick off, dealt with a postponement, got themselves worked up again only to repeat the process all without the reward of a single game. I put forth a proposal to have the baseballs this year coloured blue in honour of the lost 2020 season, but sadly that fell on def (and less adolescent) ears.

From there we turned the page to 2021 and the lot of us were shot out of a cannon, let loose like a rodeo bull & revved up like a deuce only to have the season cut short yet again on the eve of finals and have us all feeling like the light at the end of the tunnel was just a freight train coming the other way. I haven't been this disappointed by a cancellation since Deadwood ended after 3 seasons. Maybe in a decade's time we can get the cast back together for a HBO movie of the grand finals we never had. Or we could just show up again next year and win 'em all again?

The good news is we got on the field. Not only did we get on the field, we got 9 games in. Not only did we get on the field, get 9 games in, we won a whole bunch of them. Not only did we get on the field, get 9 games in, win a bunch of them, but we had 4 of our 5 teams finish on top. Not only did we get on the field, get 9 games in, win a whole bunch, 4 out of 5 finish on top, but our 5th team finished with an equal win/loss record to the first place team and finished 2nd. So what I'm saying in an extremely tedious manner is that all 5 teams had ripping seasons to be proud of.

With the DBA deciding to award flags to the minor premiers in lieu of a finals series that means 4 big flags to decorate our walls. So a big congratulation to Chris Anderson and his A1 Chargers, to My Favorite Player™ and his A2 Magoos, Darren Hiddlestone and his C2 champs and to Brian Kloppe and his U16 legends all for bringing home the goods. Let us also not be remiss in congratulating Adam Leech and his B2 bangers for their great season as well. I will let the respective coaches go into more detail in their own reports, but suffice it to say, on field we were exceptional this year and it was especially a pleasure to watch this A1 team perform on a weekly basis again. Having said that, with perhaps the exception of the team I played on, I don't think any team's success tickled me as much as the U16s. With the start of the season looming and the threat of not even being able to field a side in the age group, some late minute wrangling from Adam Leech & Joey Tucker gave us not only a team, but the strongest team in the comp.

C.B.C Winter Season 2021

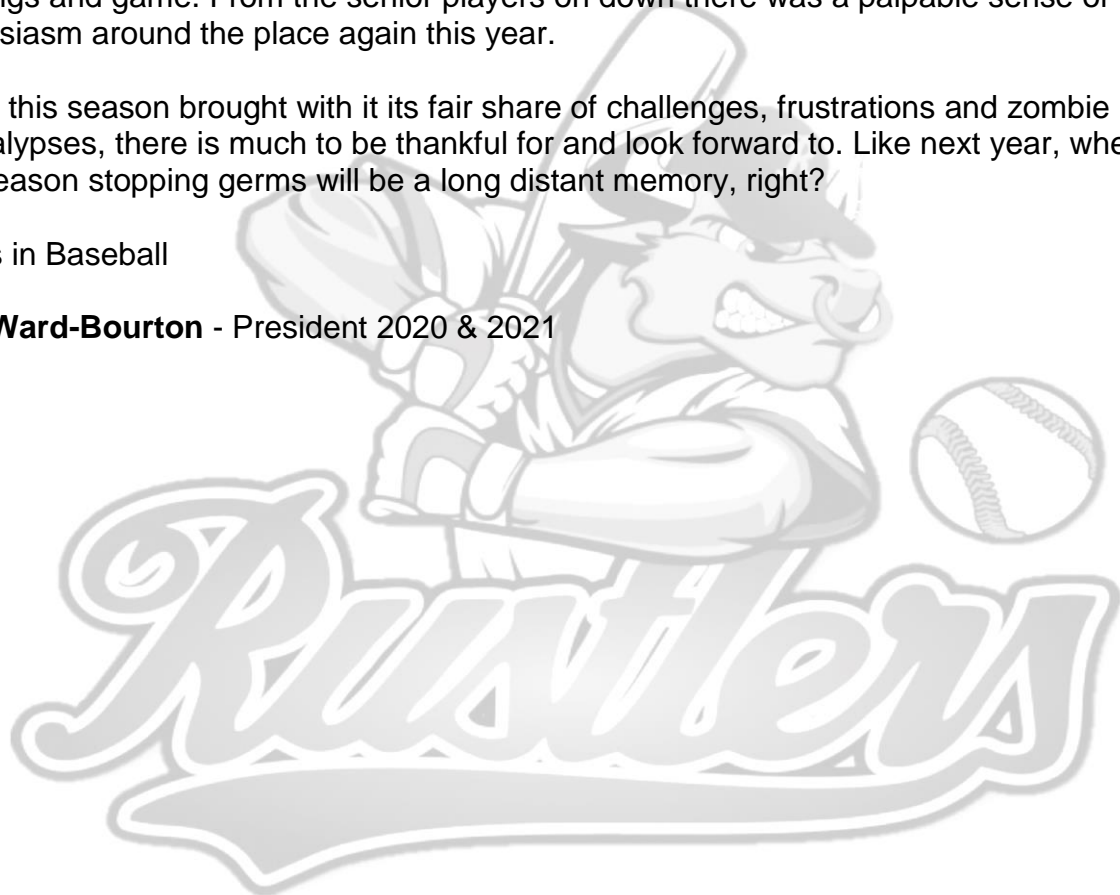

There are of course lots of people to thank for their off field work this year as well. To the entire committee for their combined efforts. It is truly appreciated. A couple of individuals who deserve special mention are Adam Leech who stepped up in a big way as VP this year and Matt McKenna who has graduated from Bar helper to Bar Manager. We extend special thanks to Leigh Heinrichs who put his hand up to work the canteen this season. It was always going to be difficult, impossible even to replace the hole left by the workhorse that was Katrina Johnson, and it was no minor commitment to make for a new father to volunteer his Saturdays to help out. By extension we want to thank Judy Williams and Sally Hiddlestone for helping with the organizing that the canteen requires as well. While we're on the subject of Katrina's absence, we were determined to continue the Thursday night meal tradition again this year. That left it largely up to Dan Roberts to produce the menu for the hungry training hounds and he did a terrific job.

An equal part of its success is the commitment of the playing group for hanging around after trainings and game. From the senior players on down there was a palpable sense of enthusiasm around the place again this year.

While this season brought with it its fair share of challenges, frustrations and zombie apocalypses, there is much to be thankful for and look forward to. Like next year, when the evil season stopping germs will be a long distant memory, right?

Yours in Baseball

Club Coach's Report

I would like to start with welcoming everyone back for season 2021. After missing all of last season due to covid-19 it was good to be back.

Thank you to the executive and committee for appointing me club coach again, as it is an honor to coach such a great club.

After missing all of last season I was eager to continue the growth of the club on the back of a successful 2019 season. To have 3 out of the 4 senior sides finish on top and the fourth team finishing equal first but missing out on run percentage was a tremendous effort especially with the disruptions we had with start stop play during the seasons.

Our only junior team also finished on top of a short season.

Even though our season was cut short it was great to see numbers at training so high with everyone turning up wanting to get the best out every night.

Thank you to DWB and Adam Leech in all the help during the season with the behind the scene activity.

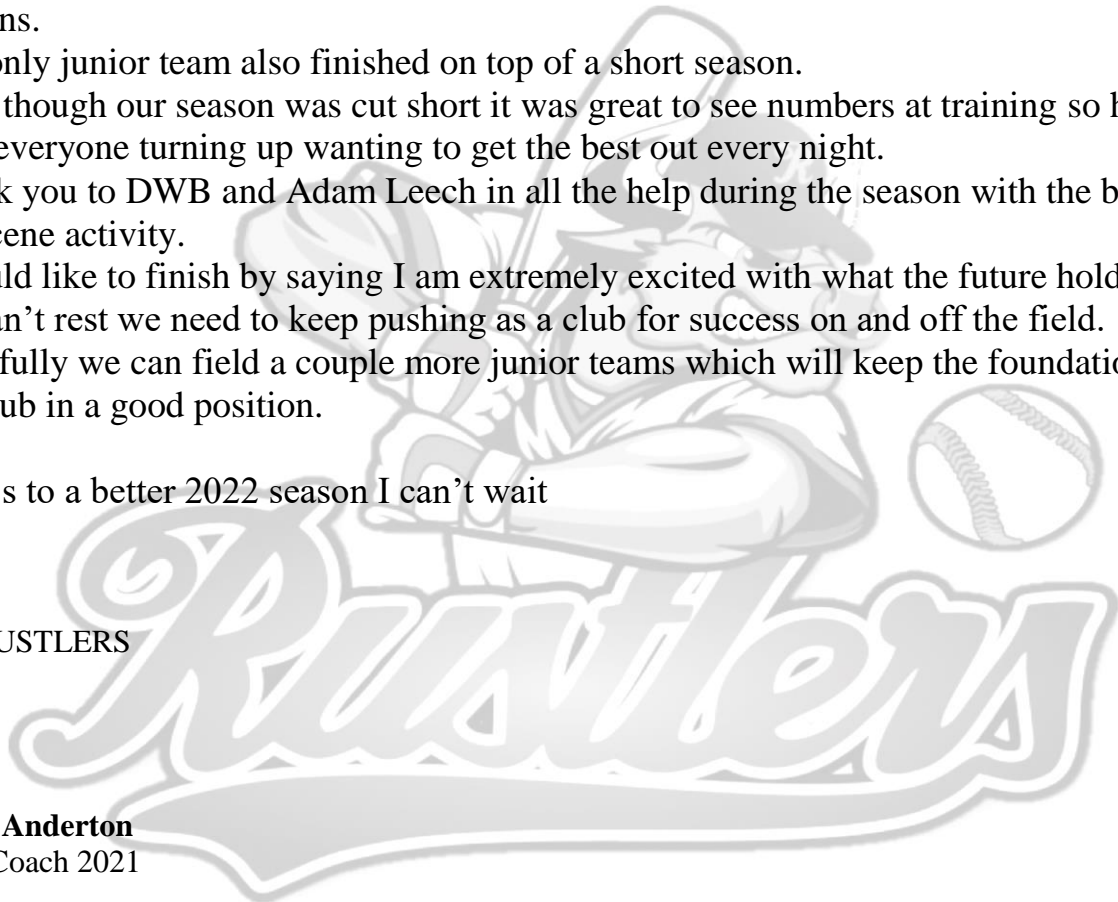

I would like to finish by saying I am extremely excited with what the future holds but we can't rest we need to keep pushing as a club for success on and off the field.

Hopefully we can field a couple more junior teams which will keep the foundation of the club in a good position.

Here's to a better 2022 season I can't wait

'A1' Report

Minor Premiers

After missing a season, it was good to be back. Looking to build on the last season and going a step further I was excited for the challenge.

We welcomed a new player to the club in Mitch Sheldon-Collins also welcoming back from his college stint Mitch Holding. With a strong squad it was going to be challenging to balance through the course of the season. There were lots of standout performances none better than Max Barrett. This year Max certainly stood out from the rest of the league with his dominance on the mound and should be congratulated for his performance. Not to be out done Josh Ashen took his game to another level, taking over as the lead off hitter and continuing his solid defence at short stop. Blake Holding stepped out of his brothers shadow to show in his own right he belongs at the highest level being one of the most consistent hitters of the season.

Our pitching this year was outstanding lead by Max, we also had very good performance from Declan Croker, Stewart Mathieson and Mitch Sheldon-Collins, with these four at my disposal is a blessing, to think I also had Jack Enciondo and Josh Ashen (both restricted) waiting in the wings, our future is looking good.

It was disappointing the way the season finished not being able to play off for the premiership but I hope it only drives our players for next year to come back wanting the ultimate glory as a club baseballer.

Furthermore I would like to send my best wishes to another player who left us before the season finished to continue his baseball journey in college Mac Turley. Mac was a huge part to our success this year being the wall behind the plate, he will be hard to replace next year. Good luck and you are always welcome back anytime.

Thank you to Robyn for scoring again this year sending up to date stats, which made my job easier.

To my assistant coach this year Brandon Stenthouse thank you for help during games when you were injured it meant a lot and hope you will be back more on the park next year.

TC thanks is the word that needs to be said, you are a legend. Everything you do makes my job easier on game day, all your input is much appreciated.

Finally, to the playing group, I thank you for your commitment to turn up every training session, game day wanting to get the best out of yourself but also for the team. We all want the same thing in the end and that is a flag and I have no doubt that we are not far away.

I look forward to seeing you all next year

'A2' Report

Minor Premiers

Way back in the halcyon days of 2019 when a mask less human face wasn't considered a scarlet letter, when handshakes were not only welcome but expected and the outdoors still existed, Cheltenham's 2's were victorious in the Grand Final. So that's where we pick up the story, with the Magoos as reigning champs. From the outset, we knew we had the personnel to bring on a repeat, but knowing the path is not the same as walking the path. Season 2021 turned out to be a challenging one in a myriad of ways.

With a competition condensed down to only the 5 strongest teams, it meant there were not going to be any easy games this year. Regular byes in the fixture really had the effect of sapping any momentum being built as a squad. The second you think you're getting rolling, you're taking a week off. That of course was exacerbated by the looming hand of pestilence that presided over everything this year, causing 2 separate lockdowns during the course of the season.

We battled through to another quality year on the field without ever quite reaching the impossibly lofty standards of the coach and ended up with a 6-2-1 record. Which as luck would have it was good enough for first place when the season was called to a disappointing halt after 9 games.

The makeup of the team this team was one where we really spread the workload around. We didn't have a major innings eating pitcher that we rolled out every week. We used designated pitchers to start games with regularity and our batting line-up honestly could have been written in any order and not affected our results too much.

That made the MVP race extremely interesting. In the end the most Votes were awarded to Rhys Fairweather who gained his votes by being both an extremely important relief pitcher and our most effective middle of the order bat.

Sean Dunn I will pick out for special mention. Though we are not awarding an official coaches award this year, he would be the first man in line for the honour. Especially in the first half of the season he was putting together quality at bat after quality at bat, drawing walks, illuminating strikeouts, sacrifice hitting with regularity, busting it down the line and forcing infield errors. With seemingly every one of his hard hit balls finding a direct path to someone's throat, none of this made too much of an impression on a traditional stat sheet, but was an important step forward to establishing himself in the side.

While I'm sure all the boys were as disappointed as I by not getting the chance to run it back on Grand Final day, the silver lining to remember about this year is that that by virtue of being on top at the time of lockdown we have been declared minor premiers for the season and that means another flag for the club. So I'll be keeping my words precise and be bragging that we "won the flag two years in a row" and all will be none the wiser.

Thanks goes out to 2IC Trevor Clemens for assisting along with Brandon Stenhouse, Max Barrett and others who were usually there early to help out with the team.

Lastly a thanks again to Tony Preston for scoring and for not quitting when I dropped Rick to the 3s. 😊

'B2' Report

The Cheltenham B2's had an outstanding season for the club. We finished the season with 9 Wins and 1 Loss. This saw us finish second on the ladder for the Home & Away season. Unfortunately, we were unable to participate in any finals due to covid lockdowns.

The team had an outstanding season with the bat. With 4 players hitting over (0.400), "Dutchy" Holland hitting an incredible (0.692), Bryan Kloppe (0.632), "Hiddles" (0.577) and Zach Dunkley (0.444)

We also had 6 Home Runs hit with Kloppe 2, Declan Crocker, Chris Anderton, Heath Dunkley and Michael Hill blasting the ball over the cones.

The main pitching duties were performed by Craig "Jelly" Ballantyne and Bryan Kloppe who both threw around 12 innings each for the season. Kellan Hill also provided options during the season with 6 innings. We were lucky enough to also have Rhys Fairweather, Jack Ogilve and Chris Anderton help us out for games when we were short.

Defensively behind the dish, Frazer Hiddlestone did an amazing job all season and was helped out by Zach Dunkley when needed.

Our infield and outfield was excellent all season with Stuart Holland, Jeremy Hess, Zak Palmer and Blake Dunkley all showing their versatility when changes were needed.

I would like to thank Brent Dunkley for scoring and match reports all season. It is a team job that often goes unrecognised but is a massive help to all game day managers and coaches.

Thank you to Life Member Peter Leslie for umpiring our home games when he was available.

Finally, to my Co-Manager Craig Ballantyne for the support and knowledge on and off the field. Always a great player to bounce ideas and strategies off in situations when needed or to organize the team before game time.

Congratulations to all Cheltenham Teams and all Award Winners this season

C.B.C Winter Season 2021

'C2' Report

Minor Premiers

Well what a season it's been. The C2's finished the season on top of the ladder to claim the minor premiership. Of the eleven games available, we had 2 byes, won 7 and lost 2, with a winning percentage of 77.7%.

We had a total of 21 players come through the team, with the main squad made up of Russell Ashen, Heath Dunkley, Hayden Finney, Darren Hiddlestone, Zienna McCulloch, Graeme Nicholson, Damon Pettit, Kyle Yong and Nathan Yong. It was great to welcome U16's Hayden and Zienna into the seniors and hopefully they had fun and enjoyed the experience

Offensively our bats were explosive. We scored 109 runs from 132 hits with a team batting average of .490. That's an average of 15 hits per game. This was led by Heath Dunkley who had a batting average of .571 which included 1 home run.

Defensively we gave up 51 runs for the season. Our starting pitcher Kyle Yong, who had an outstanding year throwing hard in 7 of the 9 games. He showed great maturity and always stayed in control of his emotions. Relieving duties were handled by Russ "Big Dog" Ashen and myself, both throwing a mixture of slow junk.

Catching duties were shared between Zienna and Damon, both putting their bodies on the line for the team. Infield comprised of myself at first, Graeme at second base, Nathan at third base and Hayden at short stop. Outfielders were Heath and Russ. We had a great number of fill ins throughout the season with many a Friday spent trying to find our ninth player.

I would like to thank the following one/two game wonders:

Peter Allen, Chris Anderton, Craig Ballantyne, Ruby Dale, Blake Dunkley, Jeremy Hess, Frazer Hiddlestone, Stuart Holland, Tony Kouch, Craig McCulloch, Jake Poulton and James Radford. Without you guys we would have struggled to field a team most weeks.

I would also like to thank my main scorer, Jerry Yong, who made himself available whenever he could. Helping out with scoring were Hermann Hess, Barb Dooley and Teresa Yong.

Finding umpires again proved difficult at times but with the help of the committee we had the following to thank. Leigh Heinrichs, Col Upfill, Stuart Jamieson, Sam Jamieson and DWB. Without umpires we don't have a game.

Thanks also to the committee for your support and lastly thanks Damon for the hours he put in on Friday's to help put a team together.

Leigh Heinrich - Obviously for his canteen work. Probably the most significant volunteer this year outside of Committee members in terms of time commitment and impact.

Chris Anderton - For his positive and effective leadership that resulted in a very successful season under very testing and difficult circumstances. It would be easy to underestimate the amount of effort and the level of management skills and commitment needed to keep players together and focussed during this season.
